

- **First Name:** David
- **Last Name:** Malkom
- **Gender:** Male
- **Date of Birth:** 20 Feb 2021
- **Last Time Seen:** 29 October 2023
- **More details:** he was left in his mother's house at 34.7011385, -92.4116201 and she went out for dinner, after she returned the front door was open, the house was messed up and David wasn't there

Police notes

30 October 2023: after asking the mother (Leila) and her new friend – which she went with for dinner – she said the kid was sleeping in peace at his room before she left and asking her if she has received any messages from a potential kidnapper she said: No, I don't, it is my fault that I left him alone this night.

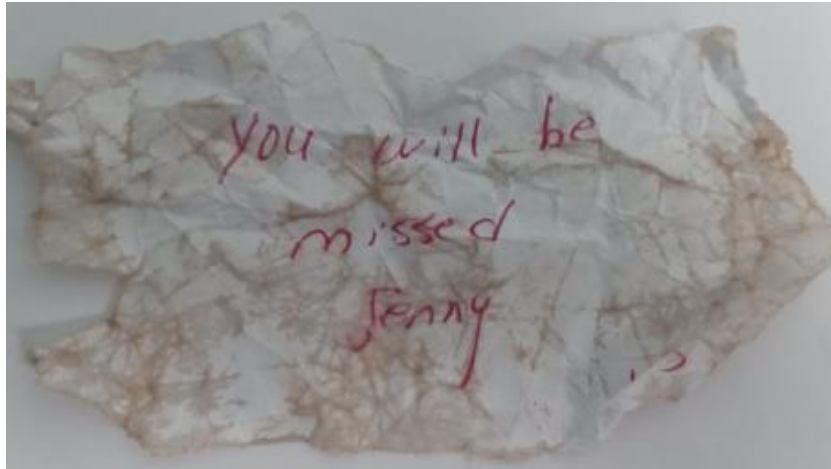

- **First Name:** Jenny
- **Last Name:** Henderson
- **Gender:** Female
- **Date of Birth:** 20 November 2017
- **Last Time Seen:** 8 November 2023
- **More details:** she was playing with her bike near 34.7383036, -92.2869382 as usual and that day she never returned back to home, quoting her mum (Margot Garfield) words

Police notes

10 November 2023: After some investigations in the neighborhood, we found no stores to check camera recordings back, the place seems too quiet so if she was attacked, she should have screamed and neighbors should have noticed.

12 November 2023: following paper was found in a neighbor (Marqous dominik) trash bin, after investigations he denied to say anything about the paper and he is now under custody until further notice

Evidence Case 719 #1

- **First Name:** Darline
- **Last Name:** omegelee
- **Gender:** Female
- **Date of Birth:** 23 March 2020
- **Last Time Seen:** 15 November 2023
- **More details:** Darline was playing with her neighbors until late night and as her friends said "we were playing hide & seek and our friend jasmine was the seeker and after almost one hour we all was found except Darline, we though she was really good at the game until the sun arises and she never shows up again"

Police notes

17 November 2023: after heavy investigations and checking cameras recording near by the street, by 2:45 AM of 1 November 2023 a tall man almost 6.23 ft with a black hoodie shows up from the next street and returned back with something heavy, his face was not clear at all but we suspect he is a white 6.23 ft man with long dark hair, we have searched for records matched the mentioned criteria but that was +50 suspect in the neighborhood , although it is quiet hard to take that path , one of our officers is trying his best.

18 November 2023: asking the kid friends we found out one friend has left the game early and after talking to her she said a man

with dark hair a tattoo near his face asked her what are they doing at this time and advised her to go home to be safe and she did.

19 November 2023: Darline mother (Jessica Gibbs) passed by our office and point the fingers to her neighbor who always complains about darline high voice while playing, but we think she is just worried about her daughter; however, we might consider that if we ran out of clues.

- **First Name:** Jack
- **Last Name:** Mabes
- **Gender:** Male
- **Date of Birth:** 12 October 2022
- **Last Time Seen:** 18 November 2023
- **More details:** his mother was driving the car back by 8 PM to their house @ 34.7481701, -92.3109754 and suddenly a car came from nowhere and crash her car, the women have lost consciousness for 2 hours and when she wakes up in the hospital the kid wasn't there, the people who found the accident said there was no kids when they arrived.

Police notes

18 November 2023: we highly suspect that was intended and not by accident, we went to the location to see the crashed car and her phone, money and stuff was all there so it is not a normal theft accident. The woman (natashah) didn't remember a lot about the car but she said it was a white car and there was 2 men, the one driving was wearing a mask and she remember that she heard someone saying "hurry up we got the boy!".
